# The Gulani Vision Global Foundation

The Gulani Vision Global Foundation is a charitable, not-for-profit 501(c)(3) organization (Florida registration no: CH73514), that will further expand Dr. Gulani's profound "VISION" for the world. This foundation extends beyond the Gulani Vision institute and Dr. Gulani, inviting individuals from all over this planet to contribute to the noble task of delivering, restoring, and enhancing the most precious of all senses in humans; Vision.

## **This philanthropic initiative will fuel three specific categories:**

### **1. Providing Assistance to Needy Patients Worldwide:**

The foundation aims to enable underprivileged patients globally to access advanced eye surgical techniques and corrections for complications.

### **2. Investing in Eye Surgical Skills Training and Technological Advances:**

Funding will support eye surgical skills training, mentorship programs for eye surgeons from around the world, and advancements in technology to enhance the field.

### **3. Empowering Innovative Vision Restoration and Research for Advanced Vision:**

The foundation seeks to support cutting-edge technologies and research focused on vision restoration, pushing the boundaries of innovation.

For over 3 decades Dr. Gulani has established a proven track record by raising the bar in the world of eye surgery with his award-winning innovations and futuristic surgical techniques, including patented instruments and groundbreaking procedures like Next-generation Lasik (LaZrPlastique®), Custom- designed Cataract surgery (LenzOplastique®) and Complication repair techniques (Corneoplastique®) that have patients flying from all over the globe to the internationally famous Gulani Vision Institute, while attracting eye surgeons and eye care industry to learn, having turned Jacksonville, Florida into the Vision destination for the world.

The establishment of the Gulani Vision Global Foundation marks the next chapter in this legacy and opens up an opportunity for people from all walks of life and from all over the world, to participate and add momentum to this focused endeavor, creating a global impact that transcends borders and benefits all of humanity.
